

**NORTH LOOP NEIGHBORHOOD ASSOCIATION (NLNA)
RESOLUTION OF SUPPORT FOR CONTINUED NEIGHBORHOOD FUNDING**

WHEREAS, neighborhood funding in Minneapolis is a critical need to support growth and

WHEREAS, it is recognized that to maintain business vitality and residential populations Minneapolis needs to continue to fund neighborhoods and

WHEREAS, previous NRP and CPP funds have successfully allowed neighborhoods to prioritize development, outreach, and communication and

WHEREAS, these benefits included increase in property value, growth and revitalization, neighborhood identity, neighborhood livability and ecological impacts and

WHEREAS, neighborhoods support population density & quality of life and

WHEREAS, equity is achievable through funding at the neighborhood level & economic and social gaps are narrowed and

WHEREAS, Development and TIF District Fees from neighborhood development(s) are an integral component of neighborhood funding and

WHEREAS, Minneapolis neighborhoods have been unable to gain further funding support through 2016 budget action

RESOLVED on July 27, 2016, that the North Loop Neighborhood Association requests full and ongoing funding above current CPP levels. The NLNA further requests that the procedure by which City funding is generated, processing and procurement is clear and accountable on a citywide basis.
